

George Murray

Interaction, Technology, Visual.

Experience

frog Design / Design Analyst II 2008–*Present*

San Francisco, CA — Worked on a small team researching and developing product and service strategy and definition for the nation's largest telecom provider identifying key social technology opportunities that has led to frogs largest account in it's history. Led the development of a sales demo for frogs entrance into the automotive UI industry. Worked on a small team developing product UI and service strategy for the worlds leading electric car infrastructure company.

frog Design / Visual Designer I 2006–2008

San Francisco, CA — Designed for 3-inch and 10-foot product UI for a fortune 20 technology company. Prototyped and user-tested UI revealing and solving crucial design problems that were incorporated into final interaction model for a line of printing devices that would sell in 170 different countries. Led documentation efforts internally and for client.

Big Spaceship / Contract Designer 2004–2005

Brooklyn, NY — Worked on major motion picture and lifestyle marketing web sites utilizing skills in UI design, game design, implementation & production, programming, 3D modeling and animation. Designed and coded Sin City Movie web site mini-games. Created original illustrations for The Squid and the Whale movie web site, one-sheet and packaging. Enjoyed Brooklyn.

DigitalThink / Contract Designer 2003–2004

Cincinnati, OH — Designed and produced multiple successful prototypes, learning modules, games and presentations in production and interface design, animation, and coding roles.
